Dear Parents, warm greetings!

The long awaited summer vacation is here, bringing with it the gift of togetherness that is spent in exploring books, watching informative programmes and playing games. While fun is intrinsic to their age, fruitful occupation of their time is of vital importance for their growth. Let me share some tips to make this period fruitful and happy for your little ones.

1. Do one page of English Cursive handwriting in a four lined notebook and one page of Hindi handwriting in a single lined notebook daily.
2. Write an original article or a story in English or Hindi along with two drawings for the school magazine. File it up in a folder and bring after the summer vacations.
3. Learn Tables from 2 to 20.
4. Make a photo album of your family and submit to the class teacher. It will be displayed in the class.
5. Make a first aid kit having the following things:
 - a) Cotton
 - b) Band aid
 - c) Bandage
 - d) Dettol
